KA-HI Pro Paste

Trailing horses, heavy training sessions, and environmental changes can be stressful for a horse and hard on their digestive system.

KA-HI Pro Paste is formulated with microencapsulated probiotics to help support normal digestive health, proper digestion and supports the immune system.

Nourishes natural gut bacteria and promotes intestinal well-being

KA-HI Pro Paste is a combination of all-natural ingredients designed to provide a source of host specific probiotics, targeted enzymes and other factors to promote intestinal well-being.

- Microencapsulated probiotics supply a source of live (viable) naturally occurring micro-organisms
- Enzymes to support proper digestion
- Whole egg proteins
- Yucca schidigera

Keep KA-HI Pro Paste handy to support normal digestive health during times of stress, seasonal changes, training sessions and anytime digestive support is desired.

May be given to any age equine, including foals.
