

Poised & Sure™

Equine Health Supplement For Calming & Focus

Whether out for trail riding, competing, training, or transporting, having your horse calm, and focused for the task is the key to a successful ride.

Safe, easy to use Poised & Sure calming paste is formulated to quickly promote a sense of relaxation and mental alertness without drowsiness or other side effects.

Poised & Sure provides a quick response to help maintain a normal and relaxed disposition to deliver a rewarding ride.

KAUFFMAN'S® Poised & Sure calming paste is formulated to quickly promote a calming effect that helps reduce the effects of normal environmental stress so they can perform their best. Contains ingredients that work synergistically to support balanced behavior in equine athletes of all ages.

- Magnesium – Contains two sources that offer optimal levels and quick absorption to support balanced behavior.
- Vitamin B1 (Thiamine) – Research shows it to have a calming effect on nerves.
- Inositol – Helps your horse cope with external stressors.
- L-theanine – Quickly promotes relaxation and supports focused behavior.
- Does not contain tryptophan or herbal ingredients that may cause drowsiness or other unwanted side effects.
- Ingredients are not currently listed on any agencies banned substance list.
- May be safely used 2-4 hours prior to the event and every 8 hours during extended transportation.

Incorporate Poised & Sure calming paste into your daily ride routine to help keep your horse calm and focused during normal training, competitions, trail rides, transportation, or any other situation where external stressors can impact your equine athlete.
